who takes care that the Dutch Boy trade mark, shown below, appears on every keg of white lead he buys, is perfectly protected; as perfectly as if he were a railroad official buying hundreds of tons, and with a corps of chemists at his back to see that no adulterant is palmed off on him.

Pure White Lead and Pure Linseed Oil are absolutely necessary to good painting.

Hammer Oldest Implement.
The hammer, besides being a tool of universal use, is probably the oldest representative of a mechanic's tool kit. The hammer was originally a stone fastened to a handle with thongs, and it was as useful as a weapon as a tool.
Hammers are represented on the monuments of Egypt twenty centuries before our era. They greatly resemble the hammer now in use, save that there were no claws on the back for the extraction of nails. Claw hammers were invented some time during the Middle Ages. Illuminated manuscripts of the eleventh century represent carpenters with claw hammers.
Hammers are of all sizes, from the dainty instruments used by the jeweler, which weigh less than half an ounce, to the gigantic fifty ton hammer of shipbuilding establishments, some of which have a falling force of from ninety to 100 tons. Every trade has its own hammer and its own way of using it.—Baltimore Sun.

TEN YEARS OF PAIN.
Unable to Do Even Housework Because of Kidney Troubles.

Mrs. Margaret Emmerich, of Clinton St., Napoleon, O., says: "For fifteen years I was a great sufferer from kidney troubles. My back pained me terribly. Every turn or move caused sharp, shooting pains. My eyesight was poor, dark spots appeared before me, and I had dizzy spells. For ten years I could not do housework, and for two years did not get out of the house. The kidney secretions were irregular, and doctors were not helping me. Doan's Kidney Pills brought me quick relief, and finally cured me. They saved my life."

Brought His Knife Along.
Whenever the peevish manager of the large store wanted to sharpen his pencil he would enter the shipping department and borrow a knife from one of the boys. Sometimes the boys did not have their knives with them, but there was one lad, Tommy Breen, who always could be depended upon.
"How is it, Tommy?" asked the manager one day as he whittled his pencil, "that you always have your knife with you, and the other boys haven't?"
Tommy hesitated for a moment, then gathering courage, said:
"The wages I get aren't enough for me to afford more than one pair of pants."—Harper's Weekly.

Got the Crowd.
"Rev. Sixthly is always thinking up some way to fill the church with women," says the friend. "He argues that if he gets them to come they will bring their husbands with them."
"Not bad reasoning, that."
"No, indeed. Why, last Easter he had nearly the whole town to hear him preach."
"He did?"
"Yes. He announced that instead of passing the usual plates for the collection, pattern bunnets from the leading milliners would be substituted."—Life.

Instead of experimenting with drugs and strong cathartics—which are clearly harmful—take Nature's Mild laxative, Garfield Tea! It is made wholly of Herbs. For constipation, liver and kidney derangements, sick-headache, biliousness and indigestion.

Gratitude would be more common if it wasn't such a costly habit to get into.

SKIN CURED IN A WEEK

After Suffering Six Months With Disfiguring Red Spots and Pimples—Cleared Away by Cuticura.

"Cuticura Soap and Ointment are the greatest remedies for skin diseases on earth. I have suffered six months from a disease which I cannot describe, but I will tell you the symptoms. My skin was full of red spots and my face was full of red pimples. It made life miserable for me and I was discouraged with everything. I went to several doctors, but it was useless. I resolved to try the Cuticura Remedies, and after using them for about one week I became a new man. The pimples and the red spots have disappeared and they made my skin as soft as velvet. A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening agent known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy of known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.

PERIODS OF PAIN

While no woman is entirely free from periodic suffering, it does not seem to be the plan of nature that women should suffer so severely. Irregularities and pain are positive evidence that something is wrong which should be set right or it will lead to serious derangement of the feminine organism.

Thousands of women, have found relief from all periodic suffering by taking Lydia E. Pinkham's Vegetable Compound, which is made from native roots and herbs, as it is the most thorough female regulator known to medical science.

It cures the condition which causes so much discomfort and robs women of their health and strength by taking
